

Female Foundations: The Lives and Legacies of Women in Earth Sciences

8th March 2025

10AM - 4.30PM

Conference Hall, Dorford Centre, Dorchester DT1 1RR

DAY SCHOOL

How did women contribute to our understandings of the past? What was their legacy, and what can we learn from that? With a day of talks from academics and authors covering notable women such as geologist Mary Anning and archaeologists Peggy Piggott, Tony Cyriax, Susann Palmer and we invite you to come and join us in celebrating their achievements on #IWD2025!

BOOKING FORM

Please send me ticket/s at £45pp for the Female Foundations Day School. The price includes morning and afternoon refreshments and a buffet lunch.
